To Aspiring Sponsor,

The Wetzel County Autumn Fest has served the citizens in the Wetzel County and surrounding areas for over 26 years. The annual festival will take place on October 11th-13th, 2019. The festival like always will be held at the Wetzel County 4-H grounds.

We are hoping to make this year's Autumn Fest bigger and better than years past. That is why we are coming to you. We however, can't reach this goal without the help of generous individuals and businesses such as you. Would you consider making a donation from one of our 2019 Wetzel County Autumn Fest Sponsorship Levels to help us reach this goal? By becoming a sponsor of the Wetzel County Autumn Fest you will enable us to, continue to supply the citizens of Wetzel County and surrounding areas an array of children's activities, contests, live music entertainment, and a fun filled weekend of activities for families to enjoy.

In appreciation of your anticipated sponsorship we would like to offer you the incentives associated with each sponsorship level. We hope we can count on your support to make this year's event one of our best yet and one that will be remembered.

Thank you in advance for your sponsorship support. We hope to see you at the 2019 Wetzel County Autumn Fest.

Sincerely,

---

Roger Spragg- Wetzel County Autumn Fest President
